IDK really. Probably Clay or Peril. Or one of the new dragonets, like moon or winking or winter. Good idea though. I think I know what I want to be now for Halloween

If I were to dress up as ANY dragon from Wings of Fire (Which I was going to do, but didn't due to the fact that my mother dislikes dragons), it would be my personal favorite, Tsunami. How I would do it? I would probably get a blue dress, blue leggings, dragon wings, blue paint, and bright white-blue cloth. I would paint the wings blue, get the bright colored cloth on the underside (front) of the dress, the arms of the dress, and the

leggings, and somehow find something to make a tail with. I would use a light blue-ish mask for the stripes around her eyes. Yeah, and

HAPPY HALLOWEEN!

I dunno. Tsunami? And I am not telling you how. I made a costume of Hobbes this year and a costume of World War I ace Snoopy last year. And all you need to do is purchase, add and sew.

I would dress up as Queen Glacier! No, I AM dressing up as Queen Glacier. I've got a light blue shirt and pants, and covered them with silver duct-tape "scales". I made a full head mask that's painted white, and I've got white face paint for my hands and neck. I can't wait!

I would SO make a Tsunami quadsuit. I actually am making a quadsuit of my OC, Sunbeam the Rain-SandWing and I am probably going to wear it to PAX in Seattle next summer, so if anyone happens to be there and sees a yellow dragon walking around, that's me!

Always be...

i took the quiz: which dragonet are you? and my results say i am Tsunami the seawing, and i think that is is very true about me. i am a natural leader, i am fearless, and bit bossy and hot tempered, so i think that i would dress up as Tsunami the seawing!:)

Which dragon would you dress up as?

I would definitely dress up as Tsunami or Moonwatcher. I would do this because both are the coolest dragons ever!!! Also, I would do this by buying some shiny cloth, a dragon costume in black or blue, and then have construction paper ears. i would cut out the shiny cloth and glue it in the patterns that Tsunami/Moonwatcher have their shiny spots. And then, obviously, I would wear it. Ta-da! :DD
